STABILITY CERTIFICATE

This is to certify that the Vagdevi Degree College, located at Ravipadu Road, Narasaraopet has been personally inspected by us on 18-01-2021. The college building is a R.C.C. G+4 structure constructed on a strong foundation.

During our inspection, the building was found to be spacious, structurally sound, and stable. The required margins are provided on all sides, and the premises are well-connected by road.

The college building has been designed and constructed as per the National Building Code. Adequate fire safety measures, including fire extinguishers, are installed, and there is sufficient space for the fire brigade to maneuver freely around the building.

This Stability Certificate is issued based on our personal visit and inspection conducted on 18-01-2021.
